RATIONALE

The Italian Society of Pediatric Urology Congress is the main pediatric urology scientific event in Italy. This appointment represents a special opportunity for professional networking between Pediatric urologists, Urologists, Pediatric Surgeons, anaesthesiologists, nephrologists, pediatricians. During the two days meeting, all scientific sessions, round table, and workshops will be focused on new treatments, innovative procedures, interactive discussions of complex cases. A special focus will be held on rare and complex urological diseases, EUROGEN standard and transitional care. Once again this year, our congress will be held with adult urologist colleagues. Complimentary participation for trainees is granted (Urology, Pediatric Surgery, Nefrology, PRM).
